OFFICE OF THE MUNICIPAL COMMISSION,

SIR,

- Referring to your official memorandum No 2757, dated 27th August 1895, I have the honor to state that I visited Mallewally and found that the Petitioners had reasonable ground for complaint. Their complaint is that no roads have been made for their convenience. This is true but nothing can be done at present
- 1) Further they complain that lighting is insufficient. Four lamps are provided - a sufficient number, I think, for present purposes. They further state that their locality is far away from any other

Station. With regard to this, I am of opinion that it would be advisable to locate a Police outpost at the bifurcation of the roads just to the South-East of new Mallenahally.

On the score of Sanitation there is (4) nothing to mention except that a public latrine is much needed and I am taking steps to have one built.

2. I regret that the petition has been mislaid by me and therefore I am unable to return it.

I have the honor to be
Sir
Your most obedient servant
